## Free Food Centre:

We want to be the reason of someone's smile, education, financial support and receive love and affection by other people and feel they are important part of this universe. We believe the day mass population of this country is united to support the less fortunate people by contributing small portion of their earnings with the sense of responsibility towards the betterment of human sufferings and social welfare, we will attain our goal.

At present, we have managed to organize 2 (Free Food Centers) which are running through donations and sometimes to meet the requirement we support personally from our pockets and we wish to continue it daily. These Free food centers are located at Water pump near Mehmood Sweets, F.B. Area and North Karachi where approximately 200 daily wages workers and needy people are provided food on daily basis. We look forward to your monetary or unperishable items support to feed the hungry and less fortunate people who are seriously suffering from malnutrition and poverty due to Covid-19 disaster. As you are aware of the current situation people are facing due to lack of jobs and very substantial deduction in daily routine work. Your generous and timely support is very much required in current pandemic situation. You are whole heartedly welcomed to be a part of HISWO with your support who are committed to fulfill basic need of food of needy people 24/7.

## INTRODUCTION:

The Sole meaning of Life is to serve humanity, Haqooq-e-Insaniyat started in 2015 as a Social Welfare Organization. The organization coined to be the reason someone smiles and feels loved, gets empowered for a better tomorrow and serves humanity in return. Without any sort of discrimination, Haqooq-e-Insaniyat Social Welfare Organization (HISWO) is helping the community in the eradication of suffering and meeting the basic needs.

Serving humanity is the passion of all the team members of HISWO. We believe the greatest gift we can give to anyone is the opportunity of a better tomorrow. We are committed to serve our nation and transform the lives of people from vulnerable communities through better provision of health, education, and skills development facilities. HISWO believes in equal rights and therefore highly endorse quality education and skills development opportunities for females. HISWO initiated with blood donation drives for thalassemia patients, campaigns against tobacco addiction, wall of kindness, and today it has expanded its benefits to the community by providing digital literacy, supporting education, organizing heat camps, medical camps, ration distribution, etc. We believe in the holistic development of our community.

## MISSION:

Our mission is to create a better tomorrow.

## VISION:

HISWO envision a nation of educated people and the land where provision of best healthcare and wellness facilities are ensured.

## COVID-19 RATION PACKAGES:

In Pakistan, the Covid-19 situation is even more perilous for the already impoverished population. Millions of hourly wage earners who used to earn their living as domestic laborers, shopkeepers, and street vendors have lost their jobs as Covid-19 spreads across Pakistan.

In this situation, HISWO is preparing and distributing ration packages to the daily-wagers, needy and white-collar families in the District of Karachi and other connected areas, who are affected by lockdown due to pandemic coronavirus (Covid-19) outbreak.

## RAMADAN RATION PACKAGE:

Following the tradition of distributing Ramadan Ration Packages every year in the destitute families of the seven Areas of Karachi including Landhi, Korangi, Malir, Liaquatabad, Surjani Town, Lyari which is approximately 300 to 500 families out of which some families are given ration on monthly basis due to poverty or some major reason. In addition to those families, Ramadan Ration Packages are also distributed on roads in the poor needy labors and small vendors. Each of our ration package contain food items including Flour, Vegetable Ghee, Sugar, Brown Rice, Kidney beans, chickpeas, red lentils, gram pulse, black tea, green tea, masala, vermicelli, Dates, Roh Afza and Pickles etc at the cost of Rs. 5,000 per package.

## Monthly Support of Poor Families:

HISWO provides the needy and poor families with financial support on monthly basis depending on their needs. The support can be in the form of cash money, paying utility bills, providing basic household items, paying children's educational expenses etc. Many people become financially unstable due to many reasons and HISWO helps all of those who can't even live up to the daily life expenses. The cost on per ration package is around Rs. 4,000.

## Easy Business Loan:

HISWO Support & help needy people by arranging Easy Business Loan scheme of Rs. 10,000/- for deserving jobless Candidates, which is refundable @Rs. 500/- per month.

HISWO Easy Business Loan program is based on the Islamic ways, which says to help someone in need of loan without any interest so that they may acquire a livelihood, skill to earn and fulfill their needs.

HISWO requests your monetary support to meet the above-mentioned requirements.
